

May 2018

Well, we knew this hot weather was coming, and here it is. I was not ready for this. I would assume that most of our winter visitors headed home by now. We wish them an awesome summer and looking forward to seeing them again in the fall.

We are going to try something new for our demo for our May meeting. We will be having Mike Mahoney, live video from his shop in California. The cool thing, is we can ask him questions and talk to him while he is demoing. This is a great way to see world renowned turners and not pay a lot of money. This is a trial program for our club, so let us know what you think of this venue

Don't forget that we will need to vote for our officers and board member at our meeting. We will be voting for : William Taggart for Vic President, Richard Ivy for Secretary, and Brian Lensink for Board Member. Please make sure that you vote at the meeting.

I would like to encourage you all to create a beads of courage bowl and a wig stand. These are two great charity projects for a great cause.

The presidents challenge for this month, is turning a project out of Green wood and letting it warp.

That is all for now. Stay safe, stay cool, see you at the meeting.
